Attention: Bruno Petruccione,  
Mayor

Re: Holy Trinity Cemetery  
Cross Street Problems

Dear Mayor Petruccione:

I met with Mr. Mark Lazaroski from the Catholic Cemeteries, Diocese of Syracuse on October 27, 2004 to discuss the problems the Holy Trinity Cemetery expansion project is causing. He agreed to install the reducer pipe at the end of the detention basin discharge pipe. He also said he would direct Grever & Ward, Inc. (the designer) to examine the work completed to date and comment on whether or not it conforms to the plans.

Should you have any questions or comments concerning this matter, please contact me.

Very truly yours,

Zangrilli Engineering

Albert A. Zangrilli, PE
